SUMMARY

Self-taught developer with 11 months Front-end experience and solid backend skills. Quick learner, clean coder, problem solver. Passionate about building scalable products and continuously exploring new technologies.

Technical Skills

Languages: TypeScript, JavaScript

Frontend: Next.js, React.js, Redux, Tailwind CSS, Framer Motion, TanStack Query, UI libraries.

Backend: Node.js, Express.js, Firebase

Databases: PostgreSQL, MongoDB

Tools: Postman, Linux (Ubuntu)

Experience

Front-end Developer

Feb 2024 – Dec 2024

DigitalWoods

Siliguri, WB

- Developed DW HUB and Woodsportal, a marketplace for Hubspot-based Themes and Modules.
- Developed and redesigned company website.
- Worked on multiple projects for international clients.

Projects

NestFinder — A Property Listing Website [Live URL](#) [Frontend GitHub](#) [Backend GitHub](#)

Frontend Tech - Next.js, TypeScript, Redux, Tailwind CSS, Framer motion, TanStack Query, ShadCN UI

Backend Tech - Node.js, TypeScript, Express, MongoDB, JWT, OOP, Middleware, REST API

- Built a responsive, animated UI with dark mode using Framer Motion and Tailwind CSS for smooth UX.
- Enabled property listing, filtering, and user authentication using Redux and TanStack Query for efficient state management.
- Integrated dynamic form validation and real-time data update features for seamless data management.
- Designed scalable REST APIs with Express and TypeScript following OOP principles for clean, maintainable code.
- Created middleware for request validation, error handling, and route protection to ensure robustness.
- Modelled and queried MongoDB data efficiently using Mongoose for smooth backend operations.

YouTube Clone [Live URL](#) [GitHub](#)

Tech - React.js, JavaScript, Tailwind CSS, Firebase

- Developed a responsive UI with search functionality, category-based video browsing, and user watch history.
- Implemented user account management with CRUD operations using Firebase for authentication and data storage.

Education

Sreegopal Banerjee College

B.Sc General

Hooghly, West Bengal (The University of Burdwan)

Aug 2018 – May 2021
